Release Date :	April 2007
Cellaring Potential :	up to 10 years
Alcohol :	13.1%
pH :	--
TA :	--
VA :	--
Residual Sugar :	--

FRUIT

The Krinklewood 2004 Shiraz was handcrafted from estate grown Shiraz grapes from 10year old vines. 2004 was not as hot as 2003, allowing this fruit to ripen more slowly and giving the 04 vintage more subtle but lengthy flavours.

WINEMAKING

Matured in new and used French oak, this wine has a bouquet of berries with lifted pepper & aniseed characters that are well integrated with the subtle savoury oak.

CHARACTERISTICS

Ruby red in colour, it is a medium bodied wine with a rich fruit palate well balanced by smooth velvety tannins & savoury oak.

CUISINE

A cheese platter is the perfect accompaniment, particularly hard aged cheddar.

AWARDS

Bronze - Hunter Valley Boutique Wine Show 2005
